MVR-37A (Rev. 08/09)

G.S. 20-37.5 Handicapped—definitions and parking privileges. (1) "Handicapped" shall mean a person with a mobility impairment who, as determined by a licensed physician; (a) Cannot walk 200 feet without stopping to rest; (b) Cannot walk without the use of, or assistance from, a brace, cane, crutch, another person, prosthetic device, wheelchair, or other assistive device; (c) Is restricted by lung disease to such an extent that the person's forced (respiratory) expiratory volume of one second, when measured by spirometry, is less than one liter, or the arterial oxygen tension is less than 60 mm/hg on room air at rest; (d) Uses portable oxygen; (e) Has a cardiac condition to the extent that the person's functional limitations are classified in severity as Class III or Class IV according to standards set by the American Heart Association; (f) Is severely limited in their ability to walk due to an arthritic, neurological, or orthopedic condition; or (g) Is totally blind or whose vision with glasses is so defective as to prevent the performance of ordinary activity for which eyesight is essential, as certified by a licensed ophthalmologist, optometrist, or the Division of Services for the Blind.

Any person who falls within the definition of handicapped shall be allowed to park for unlimited periods in parking zones restricted as to length of time parking is permitted. This provision has no application to those zones or during times in which the stopping, parking, or standing of all vehicles is prohibited or which are reserved for special types of vehicles. As a condition to this privilege the vehicle shall display a distinguishing license plate or removable windshield placard.

This placard is to be used only for transporting the handicapped to whom issued. It is to be displayed inside the vehicle from the rearview mirror. **The placard cannot be used as a substitute license plate.**
